

Website care plan

Northpoint Studio and Alder Physio · Essential plan

What the plan covers

WHAT WE DO	HOW OFTEN
Backups	Daily, kept 30 days, stored away from your host
Updates	Weekly, tested on a staging copy first
Security	Firewall and malware scanning, always on
Uptime checks	Every five minutes, day and night
Small changes	Four a month, reset on the 1st
Monthly report	First week of every month

Small changes

Text edits, swapping an image, adding a page, updating opening hours or contact details, publishing a post you have written. Unused changes do not roll over. Anything bigger is priced before we start.

Fees and term

\$95 a month, billed on the 1st. The plan runs month to month. Either side can end it with notice before the next billing date. If you cancel, the plan stops at the end of the month you have paid for, the site stays yours, and we send a final backup.

Access

Northpoint Studio keeps an administrator login for alderphysio.com and access to the hosting account for the purposes above. Alder Physio keeps its own administrator login and can edit the site at any time.
